My dear Mr. Clark,

We are surely torn up. Its a big job to move but it realy is a job to move so far.

We are leaving here about the second of August or as near that time as we can.

It will help a great deal if you could send the mileage with the check.

I did not fully explain the mileage to you, so I will do it now. The changes are: before this year each teacher was paid $144 a year which was reembersed by the state. Some teachers were driving a great deal more than others, however which made rather great unfairness in the way the money was distributed. Begining with last year a new system was set up. Now each teacher is paid $120 which is reembersed in full by the state. The state also reemberses 50% of an additional $120 if the teacher drives that many miles and half of a third $120 in cases where the mileage amounts to that amount.

I am entitled to ten months reembersment on the first amount which would be $100 and to an
